Policy: Bus Discipline
Chester-Andover Elementary School

Maintaining student control on the bus is a primary responsibility of the driver. Unmanageable behavior will be reported to the transportation supervisor. Parents will be notified at the discretion of the principal.

In the event a student is denied transportation privileges for a period of time, parents will be given notice by letter, as well as by direct oral communication when possible. A driver may remove a student from the bus when that student's behavior represents a serious immediate threat to the health and safety of fellow passengers and/or the driver and when removal of the student will not endanger the student's health or safety.
